Artificial Intelligence Application Development
Module II
Practical 2

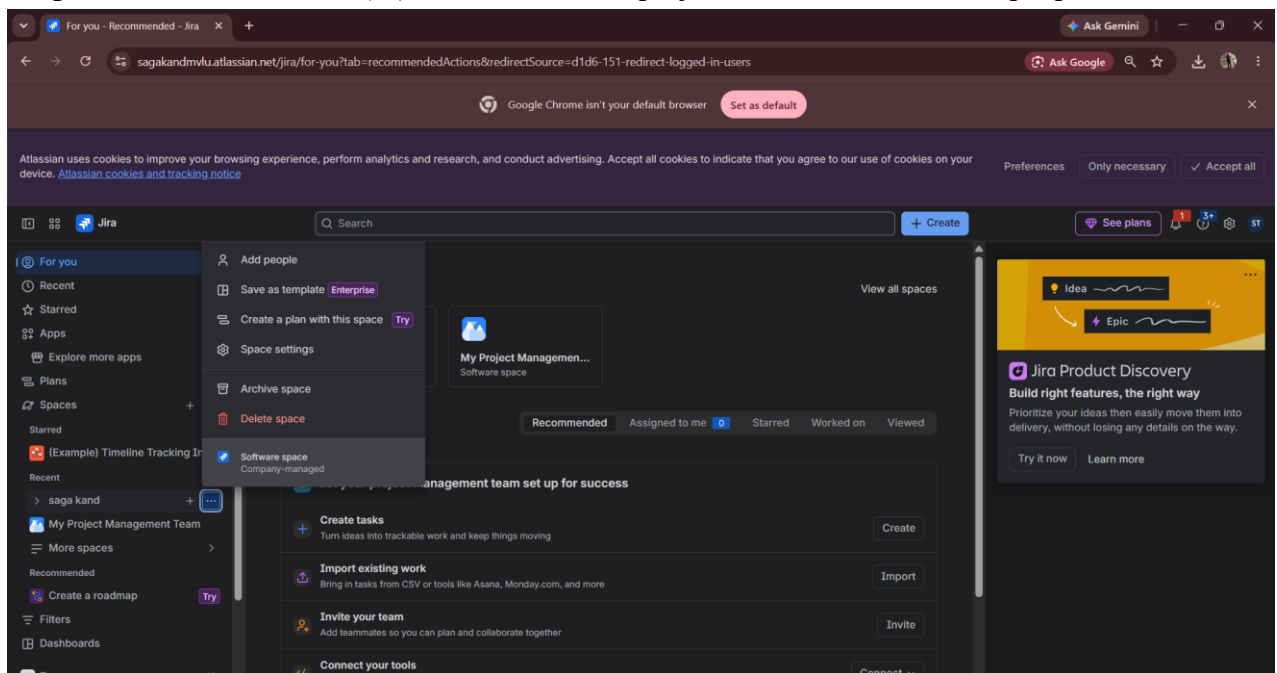

Roll no: T010	Name: Sagar Kandari
Class: TYIT	Batch: 1
Date of assignment: 02/09/2026	Date of assignment: 02/09/2026

Practical 2: Team Creation & Role Assignment

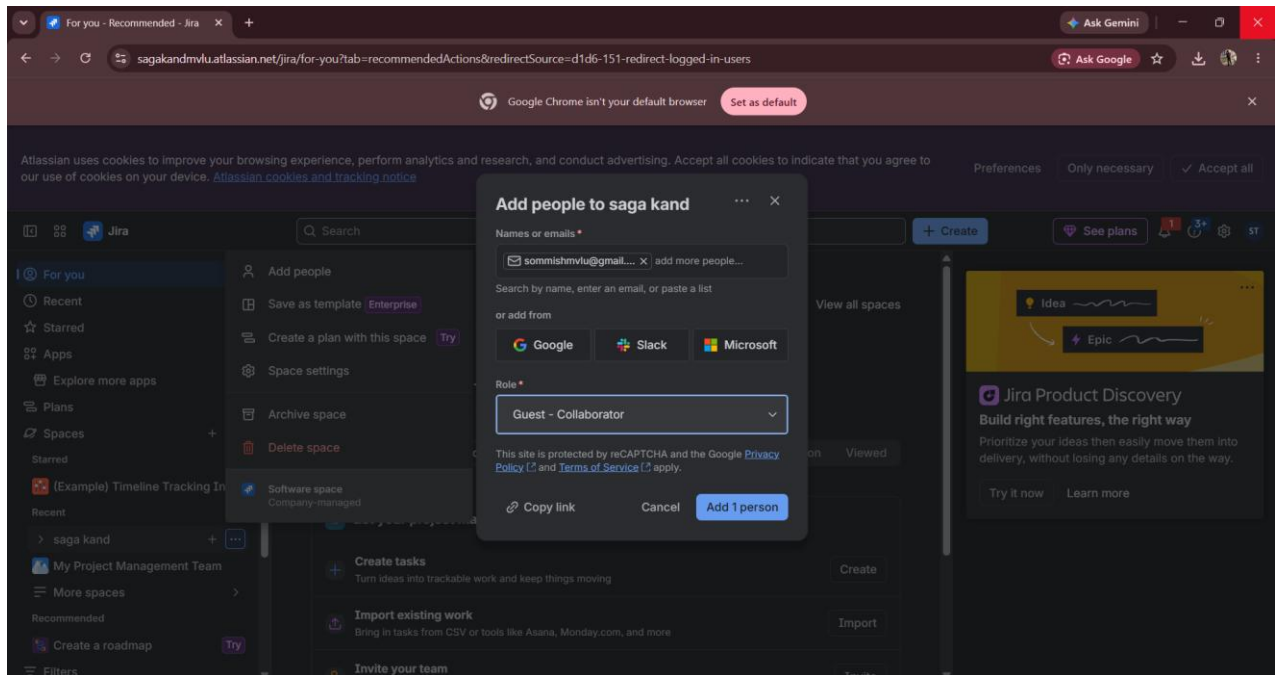

A. Add Team Members

Step 1: Open the previously created Full Stack Project in Jira.

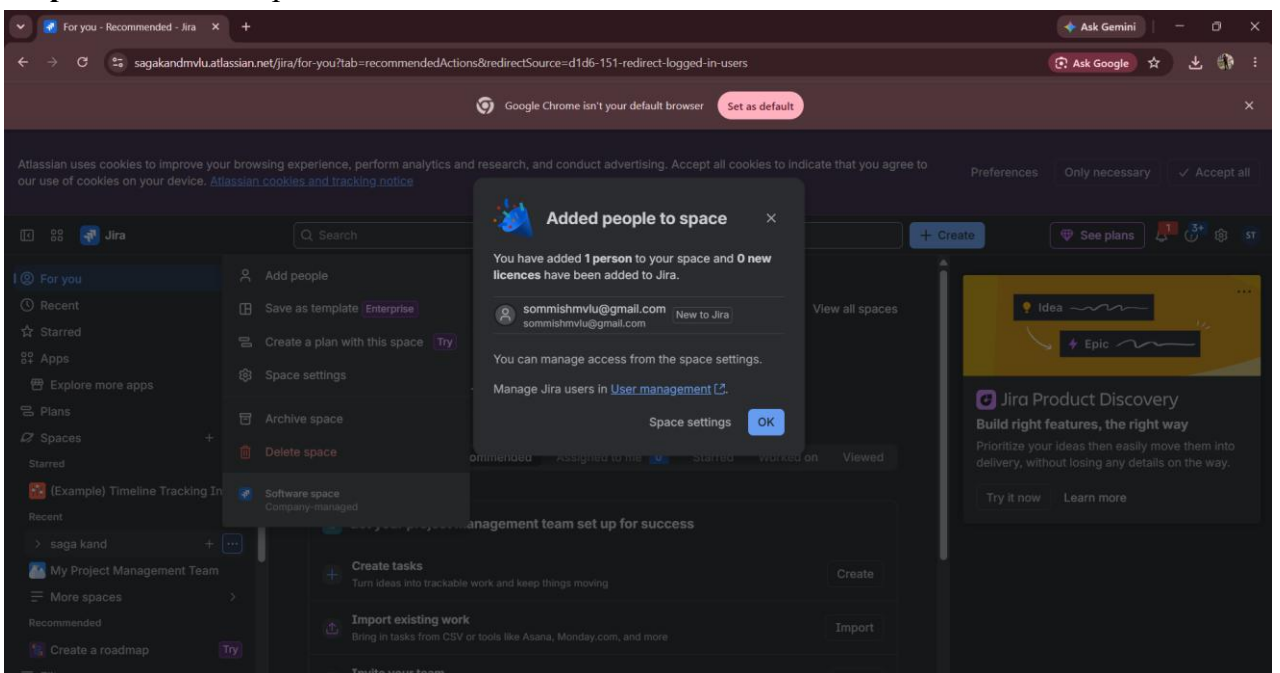

Step 2: Click the three-dot (⋮) menu next to the project name and select Add people.

Step 3: Enter the team member's email address and select the required role such as Administrator or Guest – Collaborator.

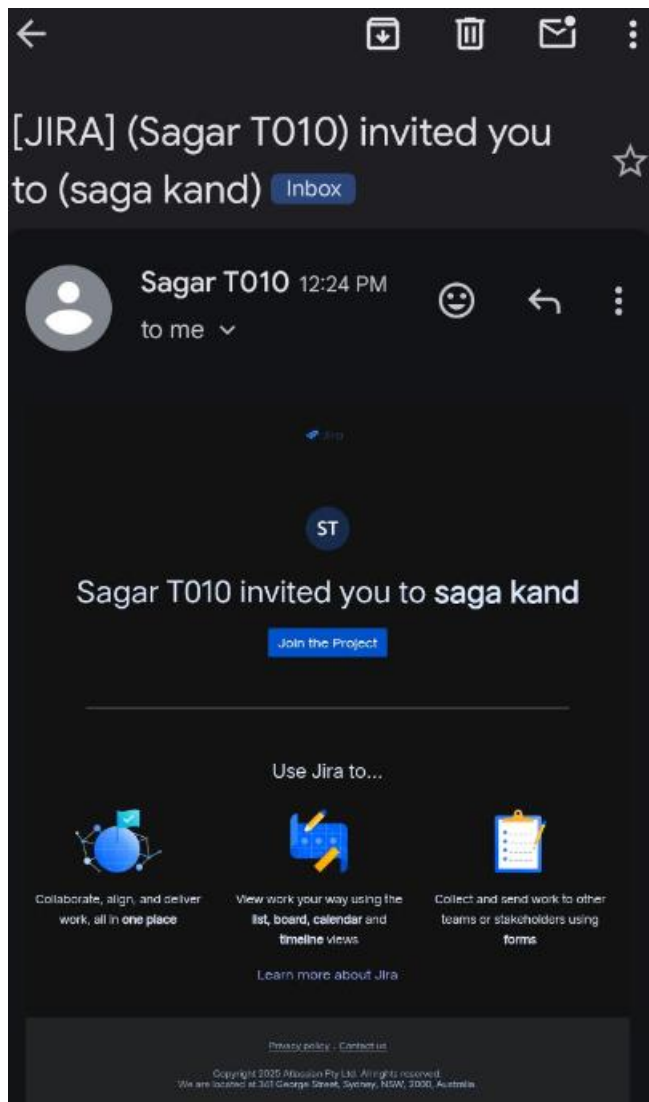

Step 4: Click Add 1 person to add the team member.

Step 5: You will see the invite option as shown in below screenshot
